SACLA 2016
Chair's Report

6 July 2016
Cullinan Diamond Lodge
SACLA 2016 was organised by the Department of Computer Science at the University of Pretoria. It was collocated with the international CSERC 2016 (Computer Science Education Research Conference) in Cullinan, South Africa.

SACLA received 30 academic papers for consideration. 16 papers were accepted in the proceedings after the required changes were made and the paper was presented at the conference. This amounts to a 53% acceptance rate. We thank the authors and presenters for their contribution to the SACLA conference.

The proceedings will be printed by SPRINGER-Verlag that required the programme committee to have an international representation. The committee comprised of 51 academics, of which 24 are from international institutions.

I would like to thank our sponsors, the Department of Computer Science at the University of Pretoria and IITPSA (Institute of Information Technology Professionals South Africa) for their generous support.

I would like to thank the following people. Vreda Pieterse for her overall support and organising the HoD Colloquium. Stefan Gruner for liasing with the programme committee and compiling the proceedings. Thanks also to Neels van Rooyen, our webmaster and technical support during the conference.
